Dear Sir/Madam,

I am writing to express my interest in the Animator and Graphic Designer position at your company. With a strong background in visual storytelling and a passion for creating engaging digital experiences, I am excited about the opportunity to contribute to your creative team.

I have experience in both Animation and Graphic design, enabling me to bring ideas to life through both Motion and Static visuals. My skills include proficiency in Photoshop, Illustrator, Adobe After Effects, Premiere Pro, Toon Boom. I have worked on a variety of projects, including Social Media Content, Branding Materials, Promotional Designs, and various Animations, always ensuring that the final output aligns with the intended message and audience.

In addition to my creative skills, I am reliable, self-motivated, and comfortable working independently. Although I may not be located in your preferred region, I am fully prepared to work remotely as a freelancer and deliver high-quality results with professionalism and dedication.

I am currently seeking opportunities to support my family, and I would truly appreciate the chance to work with your team. I would also be happy to demonstrate my abilities through a test task or sample project if required.

Thank you for your time and consideration. I look forward to the opportunity to discuss how my skills and experience can contribute to your company.

Sincerely,

Harshit Shah
